It’s a city of neighbourhoods, each with its own rich history and memorable character. If you're passionate about the arts, film, food and fashion, you'll fall in love with the city as soon as you arrive. Old world architecture and new world chic, stylish shopping districts and lush green parks abound in a city whose unique character was shaped by the French, the English, and two centuries of immigrants from more than 80 countries.

Living and learning with new friends from around the world

ILSC is respected among language schools for its commitment to a balanced student population. No single language group is in the majority; students come from every continent and more than 80 countries. Students challenge themselves and each other to follow ILSC’s strict English-only policy. In Montréal, French is also a language of instruction, so those studying French follow the French-only policy.

ILSC Cultural Counsellors: your bridge to Canadian culture

BEYOND THE CLASSROOM

Getting outside to play and explore is a cornerstone of the ILSC experience. It's a chance to relax after class, and spend time with your new friends while practising English in the real world. Whatever your interests, there are activities to match – from rock climbing and baseball games to theatre and music festivals. An ILSC staff member will be your guide, and the only costs are transportation and entry fees where required.

MONDAY: SOCCER TOURNAMENT OR SHOPPING AND SUSHI
WEDNESDAY: BEACH VOLLEYBALL AND BARBECUE **FRIDAY:** A NIGHT OF DANCING OR A TWO-DAY TRIP TO A RESORT FOR GOLFING AND MOUNTAIN BIKING

Weekends at ILSC are a chance to get away from the city for a two or four day adventure, whether it's snowboarding at Whistler or touring Niagara Falls. There are also many special events and parties to bring the ILSC community together.

HOMESTAY: LIVE LIKE A LOCAL

You'll be surprised how quickly your speaking improves when you're immersed in English from breakfast until bedtime. ILSC's integrated Homestay Program carefully selects Canadian families who provide a friendly, supportive and welcoming home environment for students. Some discover friendships that last a lifetime.

HOMESTAY IS A WHOLE NEW DIMENSION OF LEARNING, ONE THAT TAKES PLACE NATURALLY OVER DINNER CONVERSATIONS, CARD GAMES AND MOVIE NIGHTS.

Most Homestay families live less than 45 minutes by public transit from ILSC. Each family provides their student guest with a furnished private bedroom, a shared bathroom, and meals. ILSC staff monitor each home to make sure it is appropriate, and our multilingual Homestay staff are always available to help you if any problem or issue happens to arise.

In Montréal, ILSC provides English or French speaking Homestay families and, if necessary, bilingual (English and French) families. If you prefer another type of accommodation, we can provide referral and placement services. Options vary depending on which campus you will be attending.

Residences

If you prefer to live more independently while you're studying at ILSC, our residences provide safe and economical accommodation. Residences are located in the downtown area in each city, which means you enjoy easy access to the school, as well as shopping, restaurants, and the city's vibrant arts, cultural, and tourist attractions.
